

Cold War Questions

Use your textbook p. 981-988, 995-996 to answer the following questions.

1. Define the Cold War in 2-3 sentences.
2. Put the 10 events listed below in the proper chronological order. Record the date and write a short description of each event (complete sentences or note form are both fine). Create a simple illustration or symbol of each event to help you remember it.

Events	Additional Terms (should be included in event descriptions)
Truman Doctrine Potsdam Conference Berlin blockade & Berlin airlift Marshall Plan Teheran Conference V-E Day (End of WWII in Europe) Yalta Conference Churchill's "iron curtain" speech NATO Warsaw Pact	Big Three Joseph Stalin Franklin Delano Roosevelt (FDR) Winston Churchill Harry Truman occupation zones reparations containment

3. Look at the map on p. 988 and answer the following questions:
 - a. Which country was divided after WWII?
 - b. List the countries that were members of NATO. In which part of Europe did NATO members primarily reside?
 - c. List the countries that were communist. In which part of Europe did they reside?
 - d. Look at the map on p. 986 as well. Describe Berlin's unique situation during the Cold War era.
4. What political and economic factors helped western Europe to recover so successfully from WWII?
5. Describe Stalin's post-WWII political and economic policies. How did the USSR and its satellites fare in comparison to western Europe?
